ABOUT

Meet Angela Johnson

Angela Johnson is a Florida-based luxury wedding and editorial photographer, educator, and founder of The Lavish Brand. With more than twelve years behind the camera and over six hundred weddings documented across four continents, Angela has built a creative house that spans photography, education, digital products, international retreats, and three curated venues.

The Lavish Brand exists to help clients, photographers, and travelers build lives and legacies that feel as beautiful as they look. At its core is a simple belief: *beauty is a form of care*.
